Premier Club Members,

I think spring has finally sprung! At least, it appears so by the tulips and daffodils that I see blooming. It's such a treat to see some color again in the flower beds instead of the dreary brown. Soon it will be time to plant the flowers and garden veggies. I'm sure some of you have already planted your peas and potatoes. If you go by the farmer's almanac, that should have been done on Good Friday. I'm not sure how many people go by that anymore though.

If you missed the last meeting, you missed a "tasty" experience. Thanks to Laurie and Asher Hoke from Well Grounded Farms we were given the opportunity to taste some of their beef sticks and summer sausage. It is made from grass-finished beef. If you would like to check out any of their products just go to their website <https://wellgroundedfarms.com/> They also have fresh eggs and hydrate skin balm made from 100% grass fed whipped tallow.

Our next meeting will be on Thursday, May 12, at 9:30AM at St. John's Fellowship Hall. Our speaker will be Jocelyn Nickerson, owner of Fetch Pet Emporium. Fetch recently opened in the strip mall by Highway 36. Please plan to attend and hear all about this new business.

Rain or Shine

I want to acknowledge all of you who are mothers and say Happy Mother's Day! I hope that you are able to enjoy your day by doing something you like to do. You deserve the very best!

I hope to see you at our meeting on May 12. Enjoy the spring weather and take care!
