September 2023

Premier Club Members,

School has started and students should be back into a fall routine. Most of us are able to keep our same old routine this time of year. There's something to be said about things staying the same. It's not always all that bad. It is certainly easier to remember what you have going on.

If you missed the last meeting, you missed a good one! I heard a comment that the speaker was one of the best that we have had. Thanks to Dr. Dillon Eurek, owner of Strive Physical Therapy, for speaking to us about all things having to do with PT. If you need physical therapy, you certainly should check him out. He will actually come to your house! You can find his contact information at the Strive Physical Therapy website, <https://www.striveptmobile.com/>

Our next meeting will be on September 14 at 9:30 at St. John's Lutheran Church Fellowship Hall. The speaker will be Regina Meradith, attorney with Goosman Law Firm. She will be speaking about things we need to be up to date on such as health care directives, living wills, etc. It's always good to keep informed on these topics even if we have heard them before. Be sure to attend!

In the past couple of newsletters, I've stated that I would like to honor those of you who are veterans at the November 9 meeting. But I need your help doing this! There is a list of questions that you can, or don't have to, use to help bring back those memories from your time in the service. If you would prefer not to speak for yourself, I would be happy to help you out. Just get me your information by email, send it by regular mail or give it to me at the meeting. You may also bring any memorabilia you would like to display. Please let me know if you plan to participate so I know how many of you to plan on.

I have reserved Ollie the Trolley for a holiday lights tour for Thursday, December 7 from 7-9PM. The cost will be \$25 per person. The pickup and drop off will be at i3 Bank parking lot in Bennington. I realized if this was something people liked to do then I had better get it scheduled. The trolley holds 32 people. We need to have that many people committed by **November 1!** You can pay at the upcoming meeting or send it to i3 Bank, 12212 N 156th St Attn: Liz Lewis. Hopefully, it won't be too cold that night!

See you on September 14!
